

"Rite in the Rain" is a truly amazing paper created specifically for writing field notes in all weather conditions. From the torrential downpours in the Pacific Northwest to the blistering heat and humidity of a Florida summer day, "Rite in the Rain" sheds water, so users can continue to write on it, even in a downpour. Using a pencil or an all-weather pen, "Rite in the Rain" ensures that your notes survive the rigors of the field.
